Hello All,

Yuba Water is hosting a Board Governance Training on Thursday, May 8, 2025, from 9am to 3pm in the Yuba County Board Chambers. The first half of the day will focus on board governance training (e.g., Brown Act, handling difficult situation, etc.). Lunch will be provided and following lunch there will be a workshop to troubleshoot and resolve real-world scenarios. Please see attached flyer for more information.

We would like to encourage elected officials (especially if you are newly elected) to attend along with any staff (General Managers, City Managers, Superintendents) that you feel might benefit from the training. Please feel free to forward this correspondence to elected officials that you feel would benefit from attending. This is a wonderful opportunity to network with fellow elected officials and learn more about the importance of having high functioning boards in Yuba County.

Please RSVP to me by Thursday, May 1, 2025. Feel free to reach out with any questions you may have.

Thanks,

Amanda “Mandy” Nix
