Hi Peter,

Would you kindly add me to the agenda for the next DOHVFD meeting? Also, could you please confirm the date, time, and location?

I'd like to provide a brief update on Friday's meeting with OES and ensure we're aligned in supporting the Seniors on the Go/FREED Emergency Preparedness Planning presentation on September 3.

The goal of this presentation is simple but essential: that every attendee leaves with a personal emergency plan.

Thank you to everyone helping make this happen.

Warm regards,
Margaret Fowler
