Dear Partner Agency,

On behalf of the Sacramento Regional Incident Management Team (SRIMT), I would like to extend our sincere gratitude for your partnership and support during the Chute Fire. We are truly appreciative of the trust and confidence you placed in our Team to assist your agency throughout this incident.

The members of the SRIMT were honored to work alongside your dedicated personnel in support of the communities affected by the fire. The professionalism, cooperation, and commitment demonstrated by each of your agencies were instrumental in helping us achieve our shared mission of protecting lives, property, and the environment.

We hope that our Team's contributions met your expectations and provided meaningful support during a challenging and dynamic incident. The collaboration and teamwork displayed throughout the response exemplify the strength of our regional partnerships and our collective commitment to serving the public.

Thank you again for the opportunity to serve alongside you. We value the relationships we have built through this incident and look forward to continuing our partnership in future preparedness, response, and recovery efforts.

Please extend our appreciation to all your personnel who contributed their time, expertise, and dedication during the Chute Fire.

With sincere appreciation,

Erich Schwab, Incident Commander / Assistant Chief
Sacramento Regional Incident Management Team
