All,

Please see below info on the next Basic wildland Fire Academy at Yuba College. Like previously mentioned this would get Title 22, S-190, S-290, Cal Fire Module 1C and possibly other Certs. And would get the individual college credits.

This would help those new(er) to the department and bring them up to speed allowing the training cadre to cover more than basics during wildland training.

Respectfully,  
Greg  
6410

Hi All

We are trying to get another BWF together. Looking to start March 14,<sup>th</sup> then four following weekends.

If you guys know of any interested people let me know or pass on my info. We need 20.

At the moment we have interest from 4-6 pp and several from a neighboring volunteer agency.

Thanks

**Mike Crandall**
