Good afternoon,

We'd like to schedule a meeting with DOHFPD to review the Richards Ranch WorldFest/Event Center project (CUP-24-0003). Please let us know a few dates and times that work best for your team, and we'll coordinate on our end.

We're happy to come up to meet in person, or if it's easier for your team, we can set up a Microsoft Teams meeting instead, whichever you prefer.

Thank you, and we look forward to coordinating with you.

Alex Becerra
