Hi Peter,

I will request access for you, so you are able to fill out the Annual Info Request, below is why we ask for this. I will also have Michael Lee removed from the account. You will receive log on informa on in 5-10 business days from our bp_inquiry@calpers.ca.gov team directly. I have a attached a paper AIR form you can fill out in the interim. Please let me know if you have addi onal ques ons.

Why the Annual Info Request is requested

All of California's public agencies and schools, including those that don't have Sec on 218 Agreements or are not a CalPERS member, will receive and are required to complete the Annual Informa on Request. We're federally mandated to report any agencies with Sec on 218 Agreements that become inac ve, merged, dissolved, or have changed names to the SSA. These types of changes can be reported by way of the AIR ques onnaire.

Hi Brooke,

re. Annual Informa on Request

You le me a voicemail in response to a call I made to you regarding your request le er.

Unfortunately, I do not have any account informa on in my records so cannot log in to the online account or access any forms.

The le er you sent is addressed to a person who was a Director in the past but is no longer with us.

I have attached the letter here.

We are a volunteer organization and do not run a payroll.

Perhaps you could help me get access and update our Calpers account?

Thank you for your help with this!

Peter
