Dear Sir,

I am not sure to whom I could turn to regarding my case.

I am a property owner of 13710 Yuba Nevada rd., Dobbins, CA 95935.

ASMT number - 048-140-046-000

There was a fire on the property on 08.17.2022 which burned down all buildings and constructions to the ground.

At that time I was in Europe and had no chance to be in touch with you.

Recently I need a report from Fire Department in order to present it to the County and some other officials.

Can you, please, collaborate and help me with that so misfortune matter, and e-mail the report to me?

Truly thankful -

Irina Delin
