Dobbins/Oregon House Fire Protection District

Appointed Directors:

Greg Holman, Peter Pillsbury, Bart Young, Justin Devorss

Chief Butler gave the April 12 letter to the Richards, and the Richards gave it to the county. The Richards did not fabricate the letter. Bulter did not tell the truth when he said that it was not his signature. Bulter cannot be trusted.

The community would be best served a paid professional Chief who can be trusted and has integrity.
