(47-2026)

Hi Peter,

I normally ask Greg to get these types of posts approved through the board so they can be shared on the DOHFPD Facebook page. Greg said he has to work during Tuesday's meeting and suggested I reach out to you.

The Yuba-Sutter Amateur Radio Club will be holding a free community event at the Alcouffe Center on Saturday, October 3. I've attached the flyer and was hoping you could either bring it up at Tuesday's meeting or, if it's too late since the board packet has already gone out, place it on next month's agenda for approval to post on the Fire District Facebook page.

Thank you!

Margaret
